

Mike Cunningham

Mike has been a full time commercial fisherman since the 1970's. He has owned and operated F/V Sally Kay since 1987. Mike's home port is Eureka, California and his primary fisheries include Dungeness crab and albacore tuna. Mike served as a fisherman representative in developing the Dungeness crab preseason quality testing program, the Dungeness crab limited entry program and the Dungeness crab trap limit program. Mike serves on the Executive Committee of the Dungeness Crab Task Force and as a member of the Tri-State Crab Committee.
